

## Argentina Hunting Red Stag

Panamericanoutfitters is dedicated to the organization of great hunting and fishing trips in South America; especially in the areas of Pampas, Argentina. We cater to hunters and sport fishermen from all over the world. During the winter months in the northern hemisphere you may have a combination of hunting / angling, here in Argentina. This is the big Argentine Adventure with custom-tailored itineraries. Argentina is one of the last great frontiers for exciting and challenging big game with RIFLE, MUZZLELOADER, AND BOWHUNTING.

We have expert guides with many years of experience who know the hunting and fishing zones and the different species of wild game still living in large number in the Argentine territory; a land un-crowded and unspoiled. We carefully select our hunting and fishing zones in La Pampa, and Buenos Aires where you can still find an abundance of wild and free roaming game.

For Big Game you can hunt with us: Red Stag, Wild Boar, Cougar, Axis Deer, Fallow Deer, Feral Goat, Black Buck, Water Buffalo.
